In this action brought under the provisions of 42 U.S.C. § 1983, the court has denied summary judgment and set the case for trial during the November/December 2014 term of court. The court hereby appoints Columbia, South Carolina attorney Adam Hegler to represent the plaintiff *pro bono* for purposes of jury selection and trial. The court will not extend the scheduling order so as to allow more discovery.

After Mr. Hegler has had a chance to review the file, he should inform this court as to whether he would be prepared to try the case during the November/December 2014 term of court or would prefer to wait until the January/February 2015 term of court.

IT IS SO ORDERED.
